Education

09.2021 – 04.2025	Bachelor of Fine Arts in Graphic Design Pasadena, California ArtCenter College of Design	Major in Graphic Design with Distinction, Specialization in Digital Product Design and Brand Identity Development.
-------------------	---	--

Experience

06.2025 – Present	Visual Designer Google San Francisco, California	Led the team's AI initiative by integrating Gemini AI into workflows, developed solutions to accelerate prototyping, and established best practices for AI-driven creativity. Worked with creative and product teams to deliver campaigns and partnership identities for Stephen Curry, Bryson DeChambeau, and Google Next. Aligned product design and marketing for unified storytelling across mediums. Created AI-driven identity and motion design for Google Cloud Next, elevating UX/UI and campaign cohesion.
01.2025 – 06.2025	Visual Designer Certa.ai San Francisco, California	Collaborating as part of the rebranding team, working closely with art directors and senior designers to refresh Certa.AI's visual identity. Contributing to the redesign of customer-facing web pages, motion graphics for demo and brand videos, and iconography for blogs. Designing for social media, white papers, brochures, and event materials such as banners and presentations.
01.2023 – 04.2024	Teaching Assistant ArtCenter College of Design Pasadena, California	Assisted instructor Daniel Sorrenson in class sessions for Motion Design 1. Showcased advanced techniques in software such as After Effects, Cinema 4D, Figma, Illustrator, and DaVinci Resolve. Provided individualized mentorship to students, guiding them through the complexities of project development over 14 weeks.
05.2022 – 01.2023	Graphic Design Intern Ologie Columbus, Ohio	Strategized and worked alongside other designers to develop brand identities. Worked closely with the Art Director to create title cards, motion graphics, animated prototypes, presentation decks, brand visuals, client print materials, icons, and build client visual identities.
